

## Why Blackhawk Industrial Lumber?

We offer a worry-free, customized, and personally monitored "Just in Time" inventory control to lower your costs and increase your profits. Why pay to have inventory on the ground when you are not ready for it?

We produce a product that meets or exceeds all U.S. Government regulations and specifications.

We deliver a quality product that we are willing and able to customize to your individual needs. Need a pallet or crate built to your exact specifications? We can do it!

We offer a speedy production time to meet your immediate needs. Need it quick? We can oblige!

We will tailor deliveries to satisfy your schedules and needs.

We produce a wide array of products including but not limited to:

- \* **Custom Crating**
- \* **Custom Pallets**
- \* **Lumber Cut To Length**
- \* **OSB & Plywood cut to size**
- \* **Heat Treated Lumber**
- \* **Much, much more!**
